Hello Steve and Tom,

The following VI meetings have been scheduled for Thursday, December 17, 2015:

9 AM: Bruce Mangeot, B&G Equipment & Truck Repair, 1951 Dryden Road, Buildings 8 and 9*

10 AM: Hilton Garner and Kevin Wogoman, Globe Equipment, Building 24, 2015 East River Road

*The meeting with Mr. Mangeot was rescheduled from Wednesday, December 16th; there are no meetings scheduled for December 16th.

The corresponding result letters are attached.

Please let me know what days during the weeks of January 4th, 18th, and 25th you are available to meet with Mark Fornes Realty and Jack Boesch regarding the remaining 4 Dryden Road businesses with SSDSs (i.e., Overstreet Painting and S&J Precision in Building 12, NexGen Vending in Building 14, and SIM Trainer in Building 15). Mark Fornes indicated that one tenant may not be available in January, I suspect this is Don Overstreet of Overstreet Painting.

Thank you,

Valerie Chan, P.Eng.
